## Disclaimer

- The usage of the swings (kiik) of the “German Kiiking Association” (hereinafter operator) is on own risk
- I am aware that this is a sport from Estonia and the swings have no official test and approval in germany
- I dispense to claim against the operator for all possible reasons, for example damages, injuries, or consequential damage which are in association with swing activities
- For damage of property (for example smartphone falls out of the trousers) there is no liability of the operator
- I ensure to be in a well being physical condition especially I have no heart, circulatory, spinal or joint problems and finally no disability. I have been checked by a doctor who proofed my physical well being condition. If I didn't, it was on my own responsibility
- For any health risks, also included those, who are currently not known, there is no liability of the operator in case of accident or damages
- I will report every illness and also sudden change of the health mood like nausea, dizziness, pain, racing heart or similar directly to my supervisor to stop the activity
- I am insured against accidents and injuries, which may occur as part of my swinging activities. In case I am not, it was on my own responsibility
- I did inform me complete about the content of this disclaimer by reading it and accepting with my signature on the participation document of the operator respectively the letter of acceptance for underage children
